Magnesium	0.50%	Manganese	0.05%	Molybdenum	0.0005%	Sulfur	1.00%	Zinc	0.05%

DEFINITIONS

FACILITY – COMMERCIAL FERTILIZER MANUFACTURERS/DISTRIBUTORS - All firms that have their names and address on the labeling or invoicing for an agricultural fertilizer distributed in the State of Michigan are required to obtain a Facility License. A license is required for each of these facilities whether they are located in or out of the State of Michigan. License fees are assessed for the calendar year (January 1 – December 31) at the rate of \$100.00 per facility (U.S. Currency).

GROUND WATER PROTECTION FEE – An additional groundwater protection fee of \$100.00 per registered product (U.S. Currency) is assessed in accordance with the Natural Resources and Environmental Protection Act, Act 451 of 1994, Part 87, Groundwater and Freshwater Protection and Part 85, Fertilizers.

LABELS – Any written, printed, or graphic matter on or attached to packaged fertilizer or used to identify fertilizer distributed in bulk or held in bulk storage. Label shall include: brand or product name, grade, guaranteed analysis, net weight, and name of company and address.

SOIL CONDITIONER – A substance that is used or intended for use solely for the improvement of the physical nature of soil and for which no claims are made for plant nutrients content. Soil conditioner does not include guaranteed plant nutrients, hormones, bacterial inoculants, and products used in directly influencing or controlling plant growth.

SPECIALTY FERTILIZERS - Any fertilizer distributed primarily for non-farm use, such as use in connection with home, gardens, lawns, shrubbery, flowers, golf courses, parks, and cemeteries. This may include fertilizers used for research or experimental purposes. Fees for specialty fertilizers and soil conditioners registration are assessed at the rate of \$25.00 for each brand and product name of each grade (U.S. Currency), per calendar year (January 1 - December 31). For specialty fertilizers containing a pesticide, the product is required to be registered in accordance with Act 451 of 1994, Part 83, Pesticide Control, in addition to registration as a specialty fertilizer.

The Michigan Department of Agriculture (MDA) will not discriminate against any individual or group because of race, sex, religion, age, national origin, color, marital status, or political beliefs. Questions or concerns should be directed to the MDA, Human Resources Division, P.O. Box 30017, Lansing, MI 48909. Persons needing special accommodations to apply for the Fertilizer Registration/License should contact the MDA, Pesticide & Plant Pest Management Division, at (517) 373-1087.
